Mr. Alen GIRT
Member of Sarajevo City Council
Sarajevo – BOSNA AND HEZEGOVINA

Ankara 25/ 09/ 2023

Dear Mr. Alen GIRT,

On behalf of the Mayor of Ankara, Mr. Mansur YAVAŞ and myself, I would like to present my sincere greetings to you and to the esteemed citizens of Sarajevo.

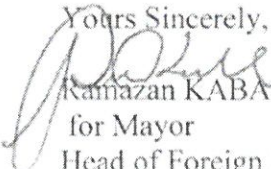

The year of 2023 is the 100th anniversary of both the founding of the Republic of Türkiye and Ankara being the capital. The Republic of Türkiye, which was founded by Ghazi Mustafa Kemal ATATÜRK and his companions with the great vision, has followed a policy of ensuring the welfare of its own people and the dominance of peace, stability and solidarity in the world.

In parallel with this, the capital city Ankara has become a modern world metropolis from a small Anatolian town. In this context, during the month of October 2023 cultural and artistic activities, as well as international meetings and panels will be held in our city with national and international participants. Within this framework, Mayors Forum, city promotion exhibition, concert programs and folklore performances will be organized with the participation of local governments from all over the world.

In this regard, I would kindly invite to you and your city to the Centennial Ankara Forum to be held between 29th October 2023 and 1th November 2023 in Ankara. Please contact to our Foreign Relations Department (disiliskiler@ankara.bel.tr) regarding of your participation. I would like to inform you that accommodation, meals and local transportation expenses for your participation will be covered by Ankara Metropolitan Municipality. Please find attached detailed information about the program.

On the occasion of such an important and meaningful organization, I sincerely look forward to seeing and welcoming you in Ankara. I take this opportunity to wish you and your esteemed city, health, prosperity and long-lasting success.

Yours Sincerely,

Ramazan KABASAKAL
for Mayor
