DR. VJOSA OSMANI SADRIU
PRESIDENT OF THE REPUBLIC OF KOSOVO

*1 March 2024
Prishtina, Republic of Kosovo*

Ms. Benjamina Karić
Mayor of Sarajevo

Dear Ms. Karić,

It is my pleasure to extend to you an invitation for a speaking role at the upcoming edition of the Women, Peace and Security (WPS) Forum to be held on 15-16 April 2024 in our capital Prishtina, Republic of Kosovo.

As we continue to navigate unprecedented global challenges, it is more important than ever to ensure that the voices of women are amplified and their contributions are recognized through their direct inclusion in decision-making processes. In seeking to navigate the rising tides of uncertainty, the Forum will focus on building joint efforts to tackle conflict-related sexual violence, as well as identifying tools and policies to help women and girls navigate safer in times of ever-rising climate security threats. In doing so, the Forum's objective is to address historical threats to women's security along with newly arising security challenges, with the ultimate aim of joining forces to further advance the WPS Agenda.

After the first edition's resounding success, WPS Forum 2024 will provide a unique platform in the heart of Europe for leaders and experts from diverse backgrounds to come together to share their experiences, insights, and recommendations on advancing the WPS Agenda. Attendees will have the opportunity to participate in lively debates, engage in interactive workshops, and network with a broad range of stakeholders, including government officials, civil society representatives, academics, and international organizations.

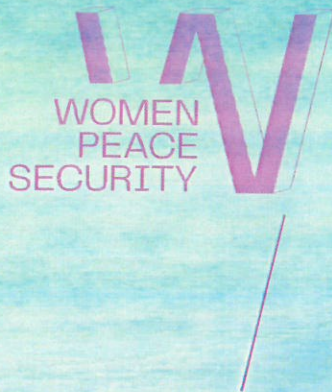

The Republic of Kosovo continues to be at the forefront of advancing democracy, rule of law and human rights, and our efforts have now been recognized globally. By hosting the WPS Forum, we are continuing to demonstrate our steadfast commitment to empowering women as a means of strengthening these values and shaping a more just, equitable and peaceful future for all.

We believe that by bringing together diverse perspectives and experiences, we can learn from one another and develop innovative solutions that can lead to lasting peace and security. I am confident that through your participation, you would provide an invaluable contribution to the advancement of the WPS Agenda.

I look forward to hearing from you and to the prospect of welcoming you to Prishtina.

Sincerely,

Vjosa Osmani Sadriu
President of the Republic of Kosovo
